Parish Newsletter

Sunday 28th October 2018

Today we ask you to get involved in celebrating Make a Difference (MAD) Sunday

Today we extend an open invitation to everyone – *seriously everyone, anywhere, any age, any background, and any religion* - to take part and **Make a Difference**. This beautifully simple initiative, that came from our own Youth

Initiative Group, hopes to encourage **ALL** people make a conscious effort to do one simple thing to help another & share it to help, inspire, give hope, support & encourage others!

Today (& *this week*) we are encouraging young and not so young, groups or individuals, families, parents & children, clubs & societies, families & friends, politicians & teachers,... to look out for others and make a small difference in their home, community, school, parish, etc.. Consciously do at least one simple act of kindness and then share it with us.

On social media using the hashtag **#MADSunday**

WHY?

- For us, because it is what the Gospel Message, our faith, is about...
- Essentially just because we can! – Let's be honest, it feels good to just do something good for another.
- For a second, just dare to dream what our home, community, city, island, and world would be like if we all did something kind for someone looking for nothing in return ...

&

- There are thousands of inspiring examples of good news stories happening every day in our community but we never hear about them, we never talk about them or share them.
- It's great, inspirational and encouraging to share a bit of good news with others.

Make a conscious effort to do one simple thing to help another & share it
#MADSunday

to help, inspire, give hope, support & encourage others!

Today, this week, come together as a group, as a family, as a class, a company to plan & do something or do something on your own. Big or small – it's up to you, but do something!

And, invite others to do the same.

Be creative, get involved, do something and share it with us/everyone!!

Don't underestimate the inspiration you are and the difference you make!!

Make a Difference & Be the Difference

Some things that people are doing - I'm getting in touch with friend I had a row with to say sorry - *I'm letting a few people know how much I care for them and how much they mean to me* - Picking up litter in my area - *We're making gift bags for the homeless* - Smiling and saying hello to people that I meet - *I'll be bringing in my neighbour's bins* - A few of us have volunteered at a local Church - *I brought back all the loose trollies in Tesco car park* - I'll be saying Thanks to the bus driver and others - *We're planting a few flowers in the area* - We're going to check in on our elderly neighbours, ...

Check out our website or facebook page for more ideas on how to get involved

Monday Club 22 October 2018

We had a good crowd in the club this morning. Welcome back to Maureen, Fran and Antoinette who have been missing for a while, and to Kay Lee who showed us a DVD. Frank Brown told us about the new parish phone app that can be downloaded onto smart phones. Through this app one can get information on everything happening in the parish e.g. funerals, times of masses, prayers, meditations etc. If anyone wants it done and can't, like me, Frank has very kindly offered to do so.

Thank you for all the spectacles being donated for the project in Kolkata in India. The opticians who are going there in November will put them to very good use as there is a big problem with eye conditions there. If anyone else who maybe missed the request for this project last week has time to look up their old glasses and bring to the parish office or shop.

Kay Lee came to show us a DVD that was made during the summer regarding Fr Bala's parish mission in India. She spoke of the various needs of his parish, e.g. church, education, training and work for the people. Fr Bala has got 20 sewing machines for the women. This project will enable the women to generate an income through this work. It is hoped to get the young men involved in training for carpentry, electrics, plumbing and other trades or skills. These projects have been supported and funded through the generosity of the people from this parish, prayer groups and groups from outside the parish also. Fr Bala has been assigned to a new parish since last year which has not yet got a church. Kay brought a log book and invited anyone wishing to enter their name and give a donation for the proposed building of this church, and Fr Bala has assured us that the list of names will be put into the foundations of the church. The log book will be available in the club for the next few weeks for anyone wishing to write their name in it or give a donation.

Next week we look forward to "Localise" who are coming with some more tricks and treats up their magic sleeves. Those young people are amazing and do such good work. Thank you Frank for setting up the DVD for us, you are always so helpful and obliging, also Stephen, Martin, Collette and Joan. Until next week, take care
Kathleen R

MAD Sunday Parishioners Prayer

My Church, My Parish is made up of people like **ME**. **I** help make it what it is. It will be friendly, if **I** am.

Its pews will be filled, if **I** help fill them.

It will do great work, if **I** work. It will make generous gifts to many causes, if **I** am a generous giver. It will bring other people into its worship and fellowship, if **I** invite & bring them.

It will be a Parish of loyalty & love, of mercy & compassion, of fearlessness & faith, of openness & welcome, and a Parish with an inspiring spirit, if **I**, who make it what it is, am filled with these same things. Therefore, with God's help, **I** dedicate myself to the task of being all the things that **I** want **MY** Church & **MY** Parish to be. **Amen**
