## ADULT CATECHISM STUDIES

The Catechism tells us that the Churches mission is to “guard the deposit of faith” and in particular to guard the Church's Faith regarding the Eucharist, since the Eucharist is the “sum and summary of the faith”. The Eucharist is a sacrifice of thanksgiving to the Father, a blessing by which the Church expresses her gratitude to God for all his benefits. When Mass is celebrated we are united with the disciples and Our Lord at the Last Supper in the Upper Room.

Wednesday 2nd March at 8.00pm in the Convent, The Sacrament of the Eucharist, paragraphs 1356-1419.

## MONDAY CLUB

There was a good crowd in the Monday Club and after our usual tea and coffee we had a crafty morning.

We tried the ancient art form of quilling. This art form is done by winding shredded paper into coils and forming them into shapes and arranging them together to form flowers, birds, butterflies or anything else the imagination allows.

This art form is very ancient and has been used by nuns and monks as far back as the Renaissance and maybe beyond, where it was used to decorate religious items. The quiet and repetitive nature of the skill makes it highly likely that it was compatible with the lifestyle of religious houses.

There were some very nice pieces done by the club members, Noel made some lovely liqueur? Sweets by combining a number of different strands together. Congratulations to all for the great effort you put into it and creating your own designs. Little materials are required, time, patience and imagination are all that is required to create beautiful designs.

Next week we welcome Paula Swayne
