## PARTICIPATION IN RESEARCH

“Does your spouse have dementia? A new study in Trinity College Dublin is looking to gain an insight into the health and wellbeing of those who care for their spouse/partner with dementia. If you are caregiver aged over 50 years and living with a partner who has Alzheimer’s disease or another form of dementia you may be interested in taking part. For more information please contact Alan Galvin on 01 896 8414”

## MONDAY CLUB

We had a lovely morning catching up on all the news from Christmas and the New Year. We were especially glad to welcome back some of our lapsed members who contributed greatly to our chats. Minnie produced some nice prizes sent in by a friend from Donegal which were duly raffled.

As we had sweets and biscuits left over from our party we decided to eat them instead of putting them up for a prize and I can tell you on a cold miserable January morning we enjoyed them – they are all gone!!

Next week we will have a Bingo session, so come along and have a nice friendly game with us – you will be made very welcome!
