## JOAN CARROLL RIP

Joan and her husband Jack were part of the influx of people, who in the early 50's dramatically increased the population of the small, sleepy village of Clondalkin.

Joan was a woman of many talents: and even when she was wad rearing her large family, she found time to pursue her hobbies.

She loved her garden and greenhouse and spent many hours propagating seeds and plants. She was dept with her camera and photographed flora and fauna from which she drew inspiration for her paintings.

She took delight in organising dinner parties for her friends when one could be assured of delicious and delectable foods.

Needlework was another great interest. These skills she passed on to Melissa. Together she produced colourful 'Teddies' and there is many a child in the 3<sup>rd</sup> world who happily goes to sleep cuddling the toys donated through the Apostolic Society.

Joan was a great friend and she spread her friendship far and wide.

## MONDAY CLUB

We had a most informative morning last Monday. We had a visit from Stephen, the pharmacist, and Vivienne from Doc Morris Pharmacy in the Mill Centre. Stephen gave a general talk on medications – its values and side effects – in a engaging way. Vivienne passed around a new type box called “the pill wizard” which has been designed and developed by the Doc Morris chain and would be invaluable to anyone on multiple tablets. Both Stephen and Vivienne took questions from the floor and gave very clear and precise answers. The “icing on the cake” was our bag of goodies which we were all given at the end of the session
