## CLONDALKIN ACTIVE RETIREMENT

A quite week, as a lot of our members is in Westport and the Ploughing Championships. The rest of you had a good time and a little dance around the floor with our very own Mr. Sean Coughlan, a great musician.

I went to the launch of HELLO BRAIN CHALLENGE in Trinity College given by Dr Sabina Brennan, which I found very interesting. Hello Brain provides easy to understand scientific information about brain health and practical tips on how to keep the brain healthy. I will give you all leaflets next week. You can visit [www.HelloBrain.eu](http://www.HelloBrain.eu)

[hellobrain@tcd.ie](mailto:hellobrain@tcd.ie) You can also download an app on your phone, so ladies and gentlemen give it a try, just one challenge a day. Regular physical activity stimulates your brain and benefits every aspect of your health.
