## A Couple's Prayer

Lord, help us remember that our love for each other reflects your love for us.  
May we empower one another to fulfil our purpose in life.  
May our love be an example for our family and a model for all.  
May our experience as a couple give us a preview of the oneness we will experience someday.  
Help us to see that everything is either love or a call for love.  
Help us to celebrate our similarities and honour our differences.  
Help us to accept our limitations and utilize our talents.  
May we remain young in this relationship.  
May we grow wise in this relationship.  
Bring us what You desire for us, and show us how You would have us be.  
Thank you for this opportunity, this life, and for my loving partner. **Amen**
