

THE MAD LENTEN JELLYBEAN CHALLENGE

During Lent, get and set aside an empty Jam jar.
Each day you can earn a jellybean of any colour for each Act of Kindness, each little kind deed that you do - but you can't eat them until Easter. Each colour can represent a different thing!
Your Mission - Should you chose to accept it - is to fill your Jam Jar before Easter!!
On Easter morning, fill the jar to the top with white jellybeans (If its not full already) to represent the Love of Jesus and share them with others.
