## Welcome

The Foundational Leadership Programme offers participants a unique opportunity to explore and develop Gospel centred transformational leadership skills.

These skills can be readily applied to the participant's own context, situations and background.

The programme is a mix of

- **input from highly experienced experts,**
- **reflective practices,**
- **mentoring, journaling,**
- **spiritual accompaniment,**
- **workshops &**
- **social immersion.**

Participants are required to produce a learning log as part of an overall portfolio to serve as a framework for integrative practice.

This programme endeavours to provide participants with the knowledge and skills necessary to be Gospel centred transformational leaders and change agents within their own parishes, communities and pastoral settings.

We need a new generation of  
Young Adult Leaders to  
continue the mission of Jesus  
Christ.

Are you...

... prepared to get "off your  
couch" and make a difference  
with your life?

... Be a leader.

...Be the difference in your  
world.
