

The Combined Catholic Parishes of Clondalkin

Following on from the success of **MAD Sunday** over the last 3 years - We are asking everyone to get involved and help us this by taking part in and promoting

'MAD Sunday 2019' – 27th Oct 2019

Make a difference, Be the difference & Share the good news!!

Do one good thing that day for another & share it with us!!

Make a Difference (MAD) Sunday is an open invitation to everyone – *seriously everyone*, anywhere, any age, any background, any religion. This beautifully simple initiative hopes encourage people to consciously **do at least 1 good thing that day** (or maybe 1 thing each day that week) to help another and **then share it**.

WHY?

- For us, because it is what the Gospel about
- Essentially just because we can – *Let's be honest, sometimes it feels good to just do something good for another*
- For a second just dare to dream what our home, community, city, island, world would be like if we all did something...

A simple act of **love** can make extraordinary things happen.

AND

- It's great, inspirational at times and encouraging to share a bit of good news with others.

It's a day on which we are encouraging young and not so young, groups or individuals, parents & children, clubs & societies, families & friends, politicians & teachers,... to look out for others and make a small difference in their home, community, school, parish, etc.. To consciously do one simple act of kindness and then share it with us.

Come together as a group to plan & do something or do something on your own. **Big or small – it's up to you!**

Be creative, get involved, do something and share it with us/everyone!!

If you, your group, your school is interested in doing something there is loads of ideas and resources available - have a look at the parish website -
