What challenging and needed words Jesus speaks to us today! Imagine how our world could be if we truly worked to love one another, to love all others. Love is powerful! Love does not mean that we have to like another or to always agree with one another. Love calls us to desire the best for the other person and to care deeply for them, despite the differences or difficulties we may experience with the individual. But somehow, the love that Jesus speaks about in scripture, was completely omitted from the dictionary's list of possible meanings. I think that love is a commitment to consistently put another person's wellbeing and happiness before your own. It's the love a spouse has for another when he/she puts the other spouse's needs or desires before one's own. It's the love that overlooks another's faults and focuses on his/her endearing qualities. It's the love parents have for their children when they play with a child even though they are really too tired to move. It's the love shown when someone calls on a neighbour, checks in on a friend in need, let's someone know – "You're in my thoughts and prayers". It's the willingness to lay down one's life for another, to put your own worries, troubles, fears or concerns to one side so as to offer true support or to protect that person from pain. Don't get me wrong, love is the easiest word to say but the hardest to live. True love is hard. It is demanding. Sometimes it's even difficult to love – When our kids are whiny, or our partners are annoying. With acquaintances and strangers, it can be even more difficult – some people just seem get on your nerves or rub you up the wrong way! We know that all people are God's children. Unfortunately, it is often hard to see God in them – especially when they are rude, or don't think the way that we do. I assume, like me, that we would like to have others love us also, even though they may not like us or agree with us. Love requires virtues that ask a lot of us but brings out the best in all involved in the love relationship. It has the ability to supersede many challenges in life if we truly let it and give ourselves over to it.

The best answer I've ever heard, given by a youth at a confirmation retreat, to the question, "What do people need to survive?", was "Food, water, clothing, shelter... and love," – If the experience of this pandemic has taught us anything we all need to experience and know the loving touch. We all need to know, feel and truly accept that we are loved, loveable and capable of sharing that love with others. Not easy.

So the Gospel today is beautiful. I especially love the part when Jesus said, "It is not you who chose me, but I who chose you and appointed you to go and bear fruit that will remain." If you really think of it and what it means - He picked me! He picked me! He picked you! – Warts and all, without hesitation or merit ... Wow!

How do we bear fruit that will remain? We choose to love, to be loved, to show love - God chose us to love – we need to quench our thirst for Him and take time to come to this overflowing well of unconditional love to drink – to fill up. Then go be a joy-filled witness to that love for others – even at those most difficult of times.

We'll still struggle in many ways but if we consistently make a choice to be loved and to love the other, we will be following in Jesus' footsteps. Every day we have a choice and if we choose the path of love every time, our path will be strewn with beauty, joy, and peace. What more could we hope for? Have a great week!

Corona Virus Prayer

We pray for all those in our country and throughout the world suffering from the Corona Virus. May its victims and their families be strengthened by the support of our community of faith and restored soon to full health. We also pray for our leaders and medical personnel who deal with the virus. May we keep calm and may we join together in solidarity with care and compassion to tackle this emergency. This we ask in confidence through Christ Our Lord. Amen.

The Re opening of our Church

Welcome back to our congregation in Clondalkin to our first celebration of a public mass since Christmas. It was a long wait and for a while it looked like we were not going to celebrate Easter along with Ascension, Pentecost and Corpus Christi. Now we know that from Monday 10th May we can celebrate all these feasts and more.

The new pharmaceuticals along with the good news mentioned above can make it seem that at last the cavalry can be seen coming over the hill. That is time but we are not out of the woods yet. Congregations are limited to 50. We cannot get sit bunched together, we have to spread out and keep a gap between ourselves and others. The coronavirus that the virologists are dealing with now has mutated into a variant that is highly infectious. So we cannot celebrate fully yet, we have to be careful like we were before. Please read Archbishop Dermot Farrell's guidance on www.DublinDiocese.ie

God bless everyone. Take care. **Fr Padraig O'Sullivan**

Things to keep in mind

- We are only permitted to admit 50 people for each Mass. Should more than 50 seek to attend, we will be obliged by the health regulation to refuse entry.
- As we welcome you back for Mass, we would ask our Parishioners to follow a few guidelines to make the reopening of our Church as safe as possible:
- Please practise strict social distancing at all times, on Church grounds and inside the Church.
- Please follow the signage regarding the entry to and exit from the Church.
- Please wear a face covering in the Church.
- Please use hand sanitiser on entering the Church.
- Please follow the signage regarding the entry to and exit from the Church.

We thank you for your cooperation.

It was not you, who chose Him, but you were chosen by Him. Jesus calls you His friend and invites you to have a deeper relationship with

Him so that you can get to know Him better. In today's Gospel, Jesus gives you one commandment, to love yourself and others as He loves you. Receive this Good News in your heart and bear fruit that will last.

To nie ty Go wybrałeś, lecz zostałeś wybrany przez Niego. Jezus nazywa ciebie swoim przyjacielem i zaprasza cię do głębszej relacji z Nim, abyś mógł go lepiej poznać. W dzisiejszej Ewangelii Jezus daje ci jedno przykazanie, abyś kochał siebie i innych, tak jak On ciebie pokochał. Przyjmij tę Dobrą Nowinę do swojego serca i wydaj owoc, który będzie trwały.

Men's Rites of Passage, Kiltegan, 18th – 22nd August 2021

Nowadays, the question of what it means to be a man can be perplexing, and to be a man of faith in Ireland today can be very difficult. Most men have a longing for the support and guidance of other men in their journey towards masculinity, maturity, and a deeper experience with the divine. Living a shallow unexamined life is an empty experience. Opening the door to this journey can start with the **Men's Rites of Passage (MROP)**, a five-day deeply spiritual/ experience that builds on the classic patterns of male initiation through profound rituals and teachings. It is the kind of experience that can help awaken men to the adventure and mystery of their own masculinity, their potential for leadership, and their life's purpose. Join with other men on this journey in **Kiltegan, Co Wicklow, 18-22 August 2021**. For more information, go to malejourney.ie/rites/mrop-2019 or phone 087-176 3729

BETTER SPEECH AND HEARING MONTH - May 2021

The Better Speech and Hearing Month was founded in 1927 by the American Speech-Language-Hearing Association. The aim of Better Speech and Hearing Month is to raise awareness around both speech and hearing problems while encouraging people to take a look at their own speech and hearing and to make a change in there is a problem. For over nine decades, this month has been held, making people think about their hearing and speech. The awareness month also looks to encourage parents to identify any potential speech and language problems in their children, particularly where such problems may affect a child's self-esteem or learning. If any of the signs or symptoms of hearing loss are present, then a person should visit an audiologist for a hearing test. In many cases, hearing problems are treatable.

If you see someone wearing a mask with this logo on it, it means that the wearer is hearing impaired and in some cases wear a hearing aid. As most read lips it can be difficult for them in these Covid times. Just be aware

Wonderful colourful Calendulas, Hucheras and Heathers. From propagator to bath planters. Nature is the gift, we're its carers and stewards. It's amazing what you can with a few old baths!!

Maeve

We may not have moved mountains but volunteers have collected plenty of litter off our streets. We have highlighted many litter black spots and illegal dumping sites.

Other areas like ESB's sub station at Newlands Cross have been inaccessible to volunteers.

Through elected Cllrs representations; south Dublin county council follow ups and work by ESB cleaning crew this area is now clear. Team work. Thanks to all our volunteers Perhaps together we can move mountains!

"Our insistence that each human being is an image of God should not make us overlook the fact that each creature has its own purpose. None is superfluous. The entire material universe speaks of God's love, His boundless affection for us. Soil, water, mountains: everything is, as it were, a caress of God."

(Pope Francis Laudato Si - Paragraph 84)

Where is he? Boy, what a sound, somewhere in the bushes beside Aras Chrónán. No, he is higher up, there he is on his spire-like perch, in all his Majesty, touching all his orchestral notes. What a great joy to hear and see his full concert on May 1st at 1.41 pm. Just jump out your front door and listen during the breeding season, Nature at its zenith.

"Hail to thee blithe spirit, Bird thou never wert, That from Heaven or near it, Pourest thy full art, In profuse strains of unpremeditated art." Percy Bysshe Shelley (1792—1822)

Meanwhile, two days before on 29th April at 1.48 pm, at Riversdale Bridge in total silence, this incredible blossom is unveiling, like the snowdrop in January, but by the thousands. It supports 600 species of insect as a bloom and then setting its fruit it continues to feed our natural friends until Winter. The Whitethorn (Maybush), like many plants and trees, has an extended bloom time depending on its orientation to the Sun. North facing is a few weeks later than south facing and all points in between.

"Here comes the Sun, Here comes the Sun." George Harrison (Album: Abbey Road, 1969) Enjoy!
